

### Quarterly Themes 2023 – Q1

Introducing our first quarterly theme of the year Major Accident Hazards. A good understanding of major accident hazards is key to maintaining safe operations. How these hazards are managed can help prevent major incidents and ultimately save lives. Resources included in this quarter include:

- Animated film: Emergency Response
- Safety moment
- ESR inspection template (MAH inspection)
- MAH Quiz (Friday 24<sup>th</sup> March, 20.00-21.00)

Q1

Jan

Feb

Mar

#### Prevention of Major Accidents

- Appreciate how your routine activities interact with barriers which keep us safe
- Be better equipped to recognise when a barrier has been impaired and know what action to take to report it
- Understand how your decisions affect the risk of major accidents

### Events

Just a reminder to keep a look out for the Tea Shack News – Rebooted in the new year. Packed full of articles, information and updates, grab yourself a copy.
