

1. Quarterly Themes

Q2 – Human Factors and Performance

The Q2 theme **Human Factors and Performance** theme is complete for 2022 and all information and resources are available on our website.

Q3 – Prevention of Personal Injury

The **Prevention of Personal Injury** theme launched on the 4th July and focuses on the awareness and understanding of personal hazards at site and how we control and communicate them. We also look at the importance of maintaining situational and spatial awareness and the reporting and following up of unwanted conditions.

The theme has been broken down into 8 personal safety topics:

Some Featured Resources:

- **Safety Moment Pack**
- **Prevention of Personal Injuries – a personal account (film)**
- **Dynamic Risk Assessment (film)**
- **Safe Working Essentials Toolkit**
- **Intervention and Encouraging Safe Behaviours (Film and posters)**

Webinar:

Normalised Risk – The Other Side

Friday 30th September
11:00 – 12:00

2. Safety Alerts, Moments & High Value Learnings

MSF Alert - CO2 firefighting systems

Safety Alert – Inoperable internal handle on helicopter door

Prevention of Personal Injuries Safety Moment Pack

This pack contains mini briefings on 8 Personal Health & Safety topics and is not suitable for start to finish presentation in a safety meeting - We designed the topics to be standalone.

We encourage you to:

- Select the ones most relevant to your team and/or activities
- Use one or two slides for your safety meetings
- Print them out and use them as individual toolbox talks or pre-shift briefing over a week
