## Climex Air Conditioner 25000

### Climex Air Conditioner 25000

This free standing, portable air conditioning unit is ideal for cooling conference rooms, site cabins and IT/ server rooms.

It features a 4" - 6" hose, which can be directed out of a window or door or into a ceiling void, to discharge hot air.

The Air Conditioner 25000 features a 2 speed fan and can be thermostatically controlled. It also has a large 15 Litre water container and can be used with a 9m exhaust hose.

This unit is easy to use; just plug and play. It would normally achieve up to 25,000 Btu/hr cooling.
