

Climex Boiler MBR 110

This 110kW boiler hire unit is capable of providing temporary heating and hot water.

It can be easily connected to existing pipe work using flexible hoses or a range of AHU's for a stand alone solution.

The 110kW boiler can provide hot water, test underfloor heating systems and dry out screed.

Features & Benefits
✔ Efficient
✔ Indirect Fired
✔ Unique to WHL

Key Applications
✔ Local & National Government
✔ HVAC Contractors
✔ Schools
✔ Hotels
✔ Process Heating
✔ Factories
✔ Leisure Centres
✔ Marquee Heating with AHUs
