*2'-1" [63cm]

The image shows two technical drawings of a mechanical assembly. The left drawing is a side view of a frame with a vertical post on the left and a horizontal beam extending to the right. A diagonal member is attached to the vertical post and the horizontal beam. A dimension line indicates a height of 2'-1" [63cm] from the ground to the top of the horizontal beam. The right drawing is a more detailed side view of the same assembly, showing a central rectangular component with a dashed line indicating its internal structure. It is supported by two vertical posts. A dimension line indicates a height of 2'-8" [81cm] from the ground to the top of the central component.
