

The image shows a technical drawing of a swing set frame. On the left, there are two vertical dimension lines. The first, labeled with the dimension value, indicates the total height of the frame from the ground to the top horizontal bar. The second, labeled with the dimension value, indicates the height from the ground to the top of the two swing seats. The frame consists of two main vertical posts, a horizontal top bar, and two swing seats suspended from the bar. On the right, there is a side view of the frame, showing the two main posts meeting at the top and a central vertical post supporting a seat.
