

The image shows a technical architectural drawing of a building facade. On the left, a vertical dimension line indicates a height of 83 units. Below this, a horizontal dimension line indicates a width of 28 units. The main drawing is a line-art representation of a building's exterior, featuring a vertical column on the right, a horizontal beam, and a curved roof structure. A section line is drawn through the building, with a vertical arrow pointing downwards from the center of the section line. To the right of the main drawing is a detailed section view of the building, showing the internal structure, including a curved roof, a horizontal beam, and a vertical column. The drawing is rendered in black lines on a white background.
