

SAVE THE ASTRONAUT

Can you save an egg astronaut from a sticky end? Test different materials to find out which protects an egg the best from a rocket launch and a crash to the ground!

Materials to test

Type of Rocket

Stomp Rocket

Mini Bottle Rocket

Instructions

Wrap each egg astronaut in a different test material and place it on top of a rocket.

Launch the rocket and check to see whether the egg survived the journey.

Results

Material

Did the egg survive without cracking?
