

POTION RECIPE

INGREDIENTS

1 teaspoon baking soda
A drop of food colouring
1 tablespoon vinegar
Containers
Washing up liquid/dish soap
Stirring spoon/stick

CREEPY

INSTRUCTIONS

Place the baking soda and food colouring into a container.

Half fill with water and stir.

Add a tablespoon of vinegar and watch the mixture fizz.

Experiment with different amounts of baking soda and vinegar to find the combination that makes the most fizz!

ADD A LITTLE WASHING UP LIQUID (DISH SOAP) TO MAKE THE FIZZ MORE FOAMY.
