

# CHEEKY ELF TRICKS!

## Which egg is boiled?

**The eggs are all mixed up.  
Can you find the boiled egg?**

**TOP TIP:** The raw eggs will spin slowly and wobble!

## Clean it up!

**What a mess!**

**Can you use a balloon to clean up the tissue paper?**

**TOP TIP - charge the balloon with static electricity by rubbing it on your hair. Hold it over the tissue paper to tidy up.**

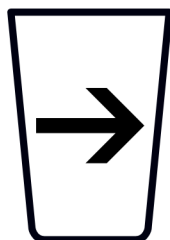

## Which way?

**Santa's signs are all pointing the wrong way.**

**Can you find a way to reverse them?**

**TOP TIP - place a glass of water in front on the signs!**

## Jumping Beans!

**Make a crazy jumping bean!**

Roll kitchen foil carefully into a tube shape slightly wider than the marble.

Secure the foil in place with tape and place the marble inside.

Fold and press both ends to seal.

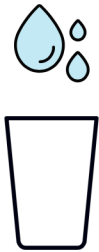

Put the foil covered marble into a plastic container and shake it around until both ends are round and smooth.

# CHEEKY **ELF** TRICKS!

## Disappearing Coins

Place an empty glass over a coin. Pour water into the glass and watch the coin disappear!

## Disappearing eggshells!

Place an egg in vinegar for 24 hours.

Rinse the egg under water and rub gently. The shell will disappear.

**TOP TIP** - place the egg with no shell in coloured water for 24 hours and watch what happens!

## Magic Water

Half fill a small jar with water.

Add a little food colouring.

Fill to near the top with vegetable oil.

Secure the lid.

Shake the jar to watch the water and oil mix and then separate again.

## Elf Lava Lamp!

Fill a medium size glass 1/3 full with water.

Add a little food colouring.

Fill to near the top with vegetable oil.

Leave to settle.

Add half an effervescent vitamin tablet and watch the lava bubble!
