

# Baby bird

Song

Words Nuala Kennedy, to a traditional melody

Ba by bird in your nest come to lie on Ma ma's breast

come and fold your wings a while soon it will be time to fly

Ba by bird sing with me notes a joy ful mel o dy

joy ful lit le notes of love sing with me my ba by dove

Baby bird, sweet and small  
Come to lie on Mama's shawl  
Hear a heartbeat soft and slow  
Soon it will be time to go

Baby bird, spread your wings  
Tiny little precious things  
Golden stars and moon that shines  
Welcome you o child of mine

Joyful little notes of love  
Sing with me, my baby dove  
Baby Bird  
Golden stars and moon that shines  
Welcome you o child of mine
