

## DISPLACEMENT

Between January and August of 2016, 578,363 persons (107,217 households) had been newly displaced due to drought (10%), flood (60%) and conflict (30%). As of the end of August, 718,154 persons (130,573 households) were reported as displaced in the country\*.

### Cause of Displacement (Aug 2016)

**45,600**

emergency shelter kits distributed in 6 regions since January.

**250,900**

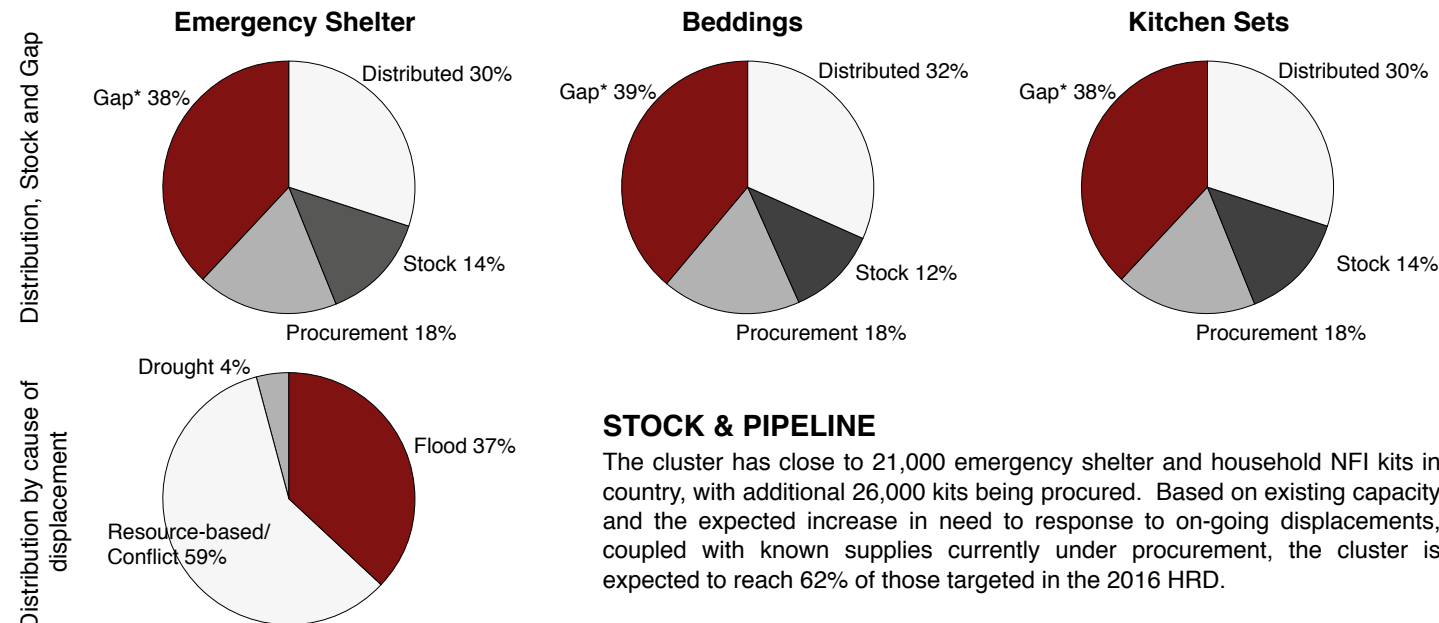

persons reached with emergency shelter and household items support

**21,000**

emergency shelter kits in stock

## DISTRIBUTION

By the end of September, the cluster has reached more than 250,900 people (45,600 households) with emergency shelter material and household non-food items such as kitchen set and beddings. Of those assisted, 37% percent were displaced by flood, 4% by drought and 59% by conflict.

### STOCK & PIPELINE

The cluster has close to 21,000 emergency shelter and household NFI kits in country, with additional 26,000 kits being procured. Based on existing capacity and the expected increase in need to response to on-going displacements, coupled with known supplies currently under procurement, the cluster is expected to reach 62% of those targeted in the 2016 HRD.

## FUNDING

53% received

47% gap

The Cluster is currently 53% funded, having received \$12.9 million of the \$24.4 requested in the revised 2016 HRD.
