1. Update on affected districts / postos / comunidades affected in Manica Province.		
<ul style="list-style-type: none"> • Sussundenga, severely affected, particularly in Posto Administrativo de Dombe. • Mossurize, affected but with no resettlement sites • Gondola, is the least affected. • Macate, has two resettlement sites – not formalised • New updates: • In Sussundenga district, (Madzunze / Mashonga) in Posto Rotunda and (Minas Gerais + Muoha) in Posto Muoha. • Vanduzi, the most affected place is Chiremera. <p>Partners to consider supporting or giving information about these 5 new places.</p>		
2. Update from the Shelter Cluster on the CCCM working group	Action	Responsible
Linha verde is not much known and used by partners in Manica (except WFP). The Linha Verde functioning was explained to partners. The banner is enclosed with these minutes. Annex 2. Partners should contact WFP for more information or materials (banner, boxes, etc)	CCCM to follow up with Anna in Maputo if Linha Verde is operational in Manica.	CCCM Coordinator
GRRC (Provincial Group for Recovery and Resettlement) will be composed by a steering committee and a technical group. Still working in the ToR , meetings didn't start yet. Once this group will be operational, they will take the role of the "intercluster meeting".	SC roaming coordinator to follow up with GRCC	SC roaming coordinator
WPF will start in August the "food for work" program targeting 20.000HH most vulnerable families in: Gondola (World Visio, 9251 HH), Macate (Isaac, 750 HH), Dombe (Adra + Adra 5671HH + 2195) and Mossurize district (2100) They asked Wash, CCCM and Shelter partners to suggest activities for the beneficiaries to contribute. They request to start with more "family related activities" to ensure that people have a foundation for rebuilding their lives until October, and then start with more "community related activities", as infrastructures.	SC roaming coordinator to follow up with WFP	SC roaming coordinator
IOM informed that DTM is covering now the 26 resettlement sites.		IOM / DTM
IOM / CCCM flagged the land property issue, as there were some cases in Sofala province where the male head of the HH evicted his wife from the house, as land title is given to the man. DPOPHRH inform that "Ley da familia" deal with this issue.	Sr Matusso DPTADER will provide the model of Land property.	DPTADER
3. Update on Dombe Resettlement sites.	Action	Responsible
SDPI inform that 2 more communities in Dombe Posto, Mechisso (260HH) and 25 de Setembro (133 HH) are going to be resettled, so the number of resettlement will raise to 28 resettlement sites.	Confirm with DPTDER SDPI to send the update table	SC roaming Coordinator + CCCM
SC flagged again the concerns about flood prone areas. Partners building permanent houses, as Save the Children, will require a certificate from the government certifying the land for the resettlement sites in safe. SC asked IOM if they will do risk assessments.	Confirm the support in risk analyses.	IOM CCCM

4. Update on partners emergency projects		
Save the Children will start distribution of CARE material in the 8 communities that still didn't receive any support in 15 days, when Martin will come back from leaves. This communities are: Chiruga, Manhadure, Mutassa, Ngurure, Zibula, Zichao and Mechisso.	Update progress of distributions.	SAVE THE CHILDREN + CARE (Martin)
GVC said they have problems to implement their wash programmes because some families didn't want to move to the resettlements until they have shelter support.		
According to SDPI, Machir does not need shelter support.	STC follow-up	STC+SC
5. Update on partners recovery projects		
Availability of CSEB hydraulic press. Sr. Pereira from DPOPHRH informed that the information for the machines and people trained can be obtained from an association in Manica. Sr. Moisses. 8632006. Apparently, there are machines in Mossurisse, GONDOLA, Barue, Sussundenga e Guro.	Find out the number of machines and the list of people trained.	Sr Pereira DPOPHRH
