4. TECHNICAL SUPPORT / TRAININGS	Action	Responsible																																								

<p>SC DISCUSSION POINT: GOVERNMENT AGENCIES AND AFFECTED PEOPLE ARE CALLING FOR TECHNICAL SUPPORT FOR PEOPLE WHO ARE BUILDING THEMSELVES. WHAT CAPACITY DO WE HAVE AS A CLUSTER + HOW CAN WE INCREASE OUR CAPACITY? <i>Clesio (Obras Publicas) acknowledges the fact that in the community, there is a need for technical support.</i> Obras Publicas reiterated need for agency involvement in all projects to ensure sustainability and urged all partners to contact local INGC, SDPI, Administration. SC confirmed has some funds for IEC (Information Education Communication), including training, dissemination of documents (e.g. manuals from MITADER and MOPHRH).</p> <p>Trainings: To define a list of needed trainings: e.g. emergency shelter set-up, traditional shelters improvement, resettlement training,.... SC, with DPOPHRH and other Govt. Agencies, will work on a list of technician and artisans that could support SC Partners trainings (INGC, DPOPHRH, SDPI, SC Partners etc.)</p> <p>Resettlement training: SC is working to set-up a fast resettlement training (Organization of the plots, minimum distances from roads and other plts, position of WASH facilities,....)</p>	<p>ALL to send lists and SC to compile</p> <p>SC will compile a list of people that are already trained at community level/ locally.</p> <p>Partners and government to send lists of technical persons</p>	<p>All and SC</p> <p>SC, DPOPHRH, DEPTADER, INGC</p>
