

# Ukraine Collective Centres TWiG Meeting

Summary Notes of CC TWiG – Friday 24, 2022,

Time: 11:00 – 12:00 PM      Venue: Online

## AGENDA

1. Documenting each partner's commitments on CC in the data base
2. Understanding each partners capacity for CC refurbishment
3. Way forward and communication with authorities
4. AOB

### 1. Have an understanding of partners commitments

- SCC requested partners to share the number of CCs they have committed to refurbish and ensure all commitments are entered in the database.
- IOM: All the data has been documented and verification ongoing, 142 CCs have so far been committed for refurbishment.
- ACTED: Vinnytska oblast and Chernihivska oblast commitments will be entered. Refurbishment of one floor in each of all the dormitories.
- IOM East: 25 centres in Poltavaska and other commitments entered in the database.
- PIN: 13 CCs in Zakarpatska oblast, 35 CCs in the East (20 Zaporiska, 10 Kharkiv, 5 Poltavaska)- Not yet assessed.
- ADRA: will get access to database and will enter the commitments data
- UNHCR: Data have been updated on CC data base. Two CCs committed in Vinnytska
- Medair: Verification ongoing, update will be provided on Monday
- Central region sub-national cluster: most partners have entered commitments.
- NEWWAY: 4 CCs committed and reflected in database.

### 2. Understand partners capacity for CCs refurbishment

- SCC urged partners to be clear with their commitments to local authorities.
- Partners proposed a (50+ spaces to be improved/created) threshold for refurbishments.
- Six criteria to be applied to assist local authorities to priorities potential buildings for refurbishment as bellow:
  - **Previous function and typology are important**  
*not in used kindergartens schools med. facilities are not suitable for 3-6 months CC refurbishment*
  - **Ownership needs to be clear from beginning** (*preferable Oblast or Hromadka*)
  - **Minimum 1+ year commitment to host IDPs**
  - **Access to public services** (by foot or by public transport)
  - **Building with connection to network that can be restored** (*electricity, gas, central heating, water, etc.*)
  - **+50 places need to be created/improved**

### 3. Agree on way forward on communication with authorities

- SCC urged partners who need new CC to be assessed for refurbishment, first to look at data base, contact SC, before going to local authorities to request new list. The need to manage expectations was also highlighted.
- Partners agreed to fully update the database by Monday 27<sup>th</sup> June CoB.
- The Collective Centers guiding framework working with government counterparts is now on the website in [ENG](#) and [UKR](#).
