# Recommendations

- Communication about funding opportunities.
- Automatic translations during virtual meetings. Always appreciate emails/notes being sent in both languages!
- Promote bilateral actions for specific points of common interest
- Achieve a joint preparedness and anticipatory action mechanism to address future emergencies.
- Links to global working groups not only global clusters but IASC working groups
- Increased engagement and capacity of local organizations; and adopting to their ways of working
- A focus on emergencies and partnership in the region
- Face to face meeting
