MEETING NOTES

2 August 2018 at 9:00am

Location: Dilla, Emergency Operations Center (EOC)

- UNHCR delivery of items – trucks moving to storage facilities for Gedeb
- OCHA template for reporting will be developed to improve reporting on planned vs. actual items on the ground delivered to beneficiaries; improve communication and consult with Atoh Abera, NDRMC / EOC Planning. 4W Spreadsheet used by WASH could be template.
- EOC explained the flow of information from partner organization through EOC (diagram not available)
- ES/NFI dashboard – EOC has had challenges in the past, wants better visualization in real time
- NRC had concern with two different data sets.
- Better understanding of actual distribution needed to determine gaps.
- Suggest one point of contact to receive distribution reporting.
- End user monitoring to triangulate data is important; can cluster lead assist?
- Woredas are supposed to report distribution, but not necessarily happening.
- EOC updates clusters on Operations daily.
- Returnees – government still supports, as well as IDPs
- Storage issues discussion.
- UNHCR cautions against full distributions, could introduce tension.
- Splitting of kits – zonal govt. requests splitting; wereda prefers full kits. [additional discussion]
- EOC has been promised items which have not yet been received until recently.
- Government verification of IDP's based on registration for food distribution programs (i.e. government program, JOP)
- Health facilities don't have blankets or kitchen sets.

Partner updates:

- CARE – WASH kits: should they be double-reported? I.e. laundry and body soap
 - 1,300 WASH kits (kitchen sets) to Yirga Chefe
- GOAL – 10,000 kits (to be split for 20,000) in Yirga Chefe
 - 1,000 kits (to be split for 2,000 HH) additional dispatch to occur over weekend
- IRC – met with EOC Planning, agreed on NFIs for Dilla Town (8,600), Dilla Zuria (1,400)
- SCI – 2500 NFI kits 3 August; 2,500 expected arrival / week
