- As a general guideline, if funding has been specifically received for a particular cluster, the corresponding activity should be reported to that cluster.
- Inter-sectoral referrals:** Partners are responsible for informing the relevant cluster to seek approval for their activities. If the activity falls outside the scope of the cluster, it is the responsibility of the cluster coordinator to refer the project to other appropriate cluster(s).
- For comprehensive reporting guidelines on Shelter Cluster activities, please consult the rulebook document accessible on the Shelter Cluster website.
