

Call for Expression of Interest (CEI)
Shelter Sub National Cluster Co-Chair & Shelter Technical Expert
in Aden Hub (Two Positions)

To enhance coordination of the humanitarian response in the field, the Humanitarian Country Team (HCT) established six humanitarian hubs in Sa'ada (Northern Region), Ibb (CentralEast Region), Al Hudaydah (Western Region), Sana'a (Central Region), Aden (Southern Region) and Al Mukalla (South Eastern Region).

In addition to Regional Coordination Teams (RCTs), Sub National Clusters are expected to be activated and participate in the RCTs. Sub-National activation in the hub is based on operational needs and considerations. The location for the Subnational Cluster being considered in this CEI is Aden.

The commitment to the two positions of Sub-National Cluster Co-Chair (ideally with Information Management & Arabic language skills - International capacity is desirable) and Shelter Technical Expert is an organizational commitment, rather than just an individual, ensuring the Cluster partner can fill the required profile according to the terms of references (ToRs). The partner will be accountable to the Shelter Cluster Coordinator at the National Level (who is accountable to the Cluster Lead Agency (CLA) and consequently the Humanitarian Coordinator), Shelter Cluster membership, and the affected population.

How: Please register using the following link by the 2nd of January 2023:

<https://ee.humanitarianresponse.info/x/ACjqUwX4>

The CEI form is focused on the following areas:

- Organizations technical expertise (i.e. Area/Years of expertise), scale, and capacity of Shelter Programs (i.e. Geographical coverage, size of operation, capacity, access).
- Commitment to the Shelter Cluster (i.e. 100% dedicated staff for Shelter Cluster, covering movements visits of the staff, offering conference room for Sub-National meetings, etc.)
- Timeframe: Depending on resources, when could you fill the post and for how long?

Selection: After the closure of this call, Shelter Cluster Team at the National level will review and evaluate the submissions. Preference would be for an organization with funding to cover this position for 12 months or more. If there is more than one agency applied with strong capacity, the SAG will be called for an official vote.
