HIGHLIGHTS

- According to last data collected by IOM during the Multisectoral Needs Assessment and the analysis by the Shelter/NFI Sector Coordination Team a total of 1,1 M people need adequate shelter and household items.
- *Domicide* - that is the intentionally burning of properties to deprive people of their right to housing - affected almost 10,000 families in Cameroon since the beginning of the conflicts

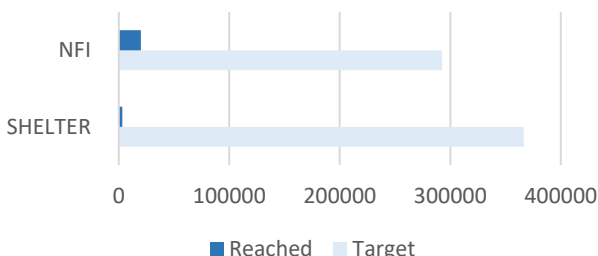

RESPONSE

- A total of 22,856 people received NFI assistance and accessed adequate shelter through emergency – transitional – durable interventions.
- In the Far North region 2651 households have been assisted with shelter items/kits and household items while a total of 26 households gained access to transitional/emergency shelters and 477 got their house rehabilitated or reconstructed.
- In the North-West, South-West regions 682 households have been assisted with shelter items/kits and household items while 32 households gained access to shelter through rental support.

GAPS / CHALLENGES

- Humanitarian access is progressively shrinking in the far North due to the spread of violence with humanitarian staff also targeted in the Mayo Tsanaga, Mayo Sava and Logone et Chari.
- In February 10 lockdown days were imposed in addition of Mondays further impacting the operation in the North-West, South-West regions.
- There has been a drastic decrease in humanitarian assistance compared to last year same period. The NW-SW regions have seen a drop of 66% in the people supported with NFI and the FN region a drop of 73% in the people supported with Shelter.
