

Atlas Logistique in Gaza

Storage and transport support for humanitarian actors

Atlas Logistique is an operational unit of the NGO **Humanity & Inclusion (HI)** specialized in the delivery of humanitarian aid.

We support other humanitarian organizations with **free logistics services** so they can save resources and time in delivering aid to vulnerable communities. Our goal is to contribute to a **faster, reliable, secure and more efficient humanitarian assistance** for those needing it the most.

In Gaza we **help those who help others** with:

Storage services

offering free space in our warehouses

Transport services

including to hard-to-reach areas

Kitting services

to help preparing distributions

Storage services

Our partners can benefit from our storage facilities to store their humanitarian goods before being shipped and distributed to beneficiaries of their actions.

What we can offer:

- Store in 3 warehouses of **2,080sqmn** total
- In strategic locations in Middle Area (**Zawayda and Mussadar**) and **Gaza City (Daraj)**
- For storage of live saving items
- For a period **up to 4 weeks**
- At **no cost** for our partners
- Stock entries/withdrawal within **24 to 48 hours**
- For palletized and non palletized items.

We also **prepare kits** (NFI, hygiene kits, etc) for our partners so they can be ready to be transported and distributed .

Transport services

An experienced team dedicated to operating **the delivery of humanitarian goods** on behalf of our partners closest to where the aid will be distributed.

What we can offer:

- Cargo transportation for **last-mile delivery**
- Including to **hard-to-reach areas**
- To **one or several delivery locations** (e.g. distribution sites, storage spaces closeby, etc.)
- **At no cost** for our partners
- Loading within **48 hours** after the request
- With adapted vehicles.
- For palletized and non palletized items.

Humanitarian goods can be loaded:

- From our **Atlas Logistique storage hubs in Zawayda, Mussadar and Daraj**
- From our **partners' storage space** (warehouse, office, depots, etc.)
- **Directly from the warehouse of their suppliers**
- Or any other relevant location.

In 2024, Atlas Logistique – Humanity & Inclusion was running 15 logistics platforms in 10 different countries, helping over 90 humanitarian organizations across the world to deliver aid where it is mostly needed.

In Gaza Strip, we operate thanks to the support of the European Union through the European Humanitarian Response Capacity (EHRC).
