critical prioritization: Shelter/CACMAN Cluster district prioritization have been decided on July 2013 based on the following sources:
cluster assessment reports
HCR's IDP and returnee population statistics report as of May 31, 2013 and IDPs displaced within Hajjah statistics report as of May 31, 2013.
data IDPs displaced within cluster by district level.
The indicator has selected four categories of specific criteria depending on the weight weighting for each indicator as follow:
• 10% of persons in need for Shelter assistance (ie Emergency Shelter, Emergency shelter, temporary Shelters, Shelter Grants and other services)
• The indicator criteria concerns individuals with shelter needs <300 "Poor Situation", 500 – 2000 "Serious Situation", and >2000 "Critical Situation".
The indicator criterion stated the NFAs of the areas "Yes" equals "Individuals in need for shelter assistance".

• 10% of persons in need for NFAs. The indicator criteria concerns individuals with shelter needs <300 "Poor Situation", 500 – 2000 "Serious Situation", and >2000 "Critical Situation". If the assessment report stated the presence of needs in the "Yes" equals "Shelter Situation".

• 10% of persons in need for emergency centers/outside camps. The indicator criteria concerns IDPs <500 "Poor Situation", 500 – 2000 "Serious Situation", and >2000 "Critical Situation".

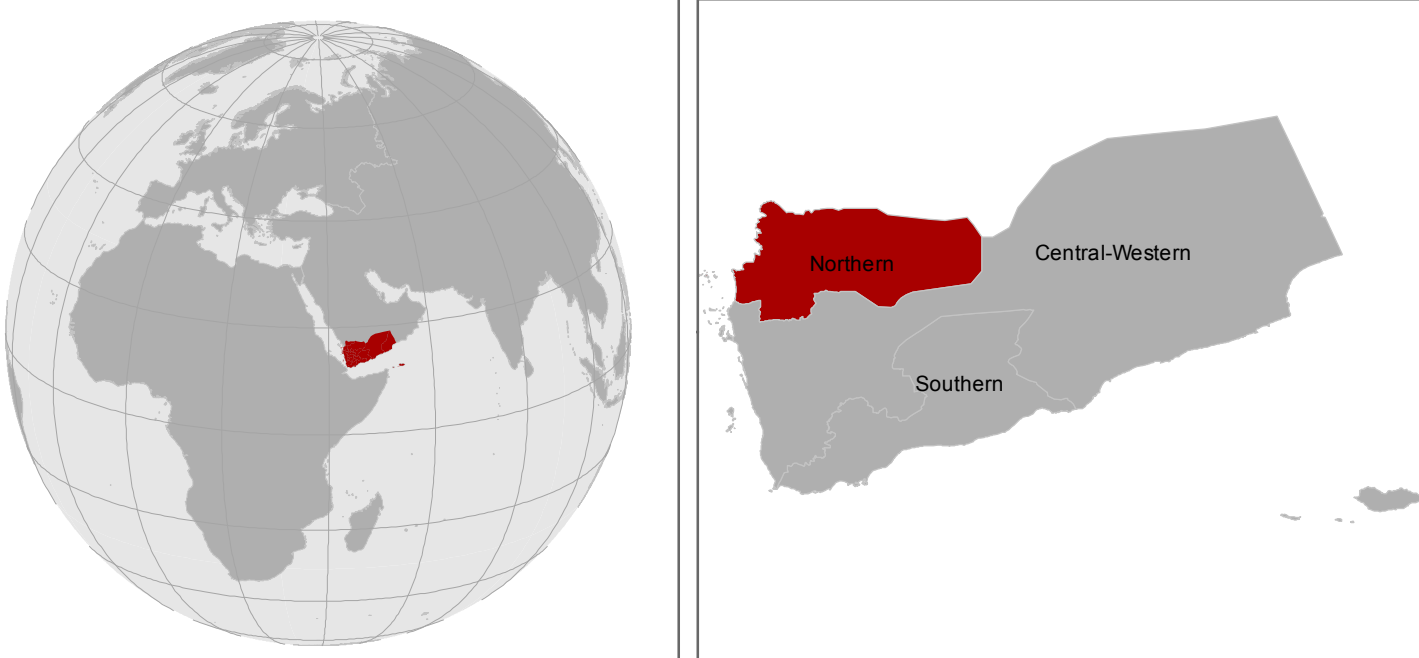

• 70% of returnee population. The indicator criteria concerns returnees (individuals of Returnees) equals "critical Situation".

The district is given a composite score from 0 to 4 based on evidence collected from the assessment report. The highest scores have been selected from the four categories to represent the district priority.
