

ANNEX

The **NFI (Non-Food Items) sector catalogue** is an annex to the NFI sector strategy and aims to unify response standards among partners relative to the agreed NFI sector activities. The following guidance has been developed in collaboration with NFI sector partners to provide an outline of the items (in accordance with the NFI sector strategy), items specifications, and unit costs*. The specifications provided are in line with minimum standards that should be adhered to when planning for NFI programming across the Syria Hub. The items described below are based on global technical standards, and market availability of locally sourced items.

*[*All prices are as of November 2023, unit costs will be affected by market availability, economies of scale, and the exchange rate.]*

Core NFIs (Non-Food Items) Guidance:

The objective of the provision of core NFIs is directly related to the overarching NFI sector objective, i.e., to provide timely lifesaving and life sustaining NFI support to the most vulnerable to maintain health, dignity and safety and the undertaking of daily domestic activities in and around the home.

| Category | Objective Achieved Through; | How? |
|----------|------------------------------|---|
| A | Enhancing Ground Insulation | Items support thermal insulation from loss of heat through ground absorption |
| B | Enhancing Personal Warmth | Items provide and sustain thermal insulation at the individual level |
| C | Support Domestic Activity | Items support the food preparation, cooking and domestic hygiene activity |
| D | Support Domestic Energy | Items should provide a sustainable lighting solution at a household level |
| E | Enhancing Shelter Insulation | Items support shelter level insulation (outer surface of shelter or residential unit) |

Classification of CORE NFIs [priority/ supplementary]

| Category | Items | Classification as prioritised or supplementary |
|----------|------------------------------|--|
| A | 1. Mattresses | Prioritised |
| | 2. Plastic mat/ Sleeping mat | Prioritised |
| | 3. Carpet | Supplementary |
| B | 1. High thermal blanket | Prioritised |
| C | 1. Cooking set/Kitchen set | Prioritised |
| | 2. Jerry can | Prioritised |
| | 3. Plastic bucket | Supplementary |
| D | 1. Solar lamp | Prioritised |
| | 2. Flashlight | Prioritised |
| E | 1. Plastic sheet | Prioritised |

CORE NFIs [Priority]

| # | Purpose | Item | Item description | Unit | Price per item (USD) | Units per Family | Picture |
|---|----------------------------------|------------------------------|--|-------|----------------------|------------------|--|
| 1 | Category A; Ground insulation | Mattresses | <p>Material type: High density foam mattress with polycotton upholstery</p> <p>Dimensions [cm]: Dimensions: Size 190 x 90 x 10 (L, W, H)</p> <p>Weight [kg]: 6 [net]</p> <p>Color: N/A</p> <p>Packaging: Environmentally friendly packaging</p> | Piece | 26.5 | 3 |  |
| 2 | Category A; Ground insulation | Plastic mat/ Sleeping mat | <p>Material type: Made of 100% synthetic yarn in a tightly woven 2/2 will structure, using a monofilament warp and thick tape PP yarn in weft. The end widths are to be secured with a woven, bias binding tape with stitches, through the fabric of the mat.</p> <p>Dimensions [cm]: Dimensions: 180 x 90</p> <p>Weight [kg]: 0.500 [Minimum]</p> <p>Color: N/A</p> <p>Stacking/storage: Plastic mat/ Sleeping mat are packed in bales of 25 pieces and firmly secured with 4 strong straps.</p> | Piece | 5.5 | 3 |  |

| | | | | | | | |

| 1 | Category A; Ground insulation | Carpet | Material type: 100% Polypropylene Dimensions [m]: 1.5 x 2 Weight [kg]: NA Thickness [mm]: 4-5 Color: N/A Stacking/storage: back side plastic, edges stitched | Piece | 30 | 1 per HH |  |
| 2 | Category C; Support domestic activity | Plastic bucket | Material type: Plastic bucket (HDPE) with lid, cap, plastic handle, and plastic tap Dimensions [CM]: 24 x 30 Weight [g]: 600 Capacity [L]: 20 | Piece | 2.6 | 1 per HH |  |

Winter NFIs Guidance

Provision of Winter NFIs: The objective of the provision of winter NFIs is directly related to the overarching NFI sector objective, i.e., to provide timely lifesaving and life sustaining NFI support to the most vulnerable to mitigate against the effects of harsh winter conditions.

| Category | Objective Achieved Through; | How? |
|----------|-------------------------------|---|
| E | Enhancing Shelter Insulation | Items support shelter level insulation (outer surface of shelter or residential unit) |
| A | Enhancing Ground Insulation | Items support thermal insulation from loss of heat through ground absorption |
| F | Enhancing Living Space Warmth | Items promote heating and increase in ambient temperature in areas of shelter/ residential unit |
| B | Enhancing Personal Warmth | Items provide and sustain thermal insulation at the individual level |

Classification of Winter NFIs [priority/ supplementary]

Winter NFI Kits:

The core winter NFI Kit provides families with the minimum needed items to survive the winter season. The items to be included are as follows:

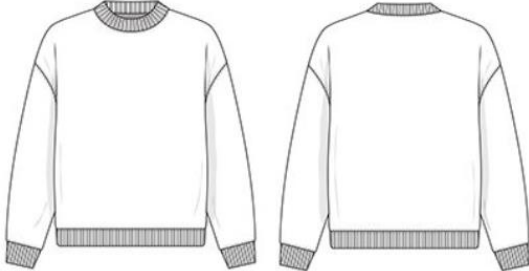

| Category | Items | Classification of items under priority/supplementary winter NFIs |
|----------|-----------------------------------|--|
| E | 1. Plastic sheet | Prioritised |
| A | 1. Mattresses | Prioritised |
| | 2. Plastic mat/ Sleeping mat | Prioritised |
| | 3. Carpets | Supplementary |
| F | 1. Wood Stove/fuel | Prioritised |
| B | 1. Winter clothing kit | Prioritised |
| | 2. Winter jacket [F/M] | Prioritised |
| | 3. High thermal blanket | Prioritised |
| | 4. Sleeping bag | Prioritised |
| | 5. Rubber boots | Prioritised |
| | 6. Children winter clothing kit | Supplementary |
| | 7. Thermal underwear [for adults] | Supplementary |
| | 8. Hat | Supplementary |
| | 9. Gloves | Supplementary |
