2024 Response Monitoring

The Response Planning & Monitoring Platform

2024 Response Monitoring

Activity Planning Module [Proposed fields as of 12 December]

Fields for registering and tracking activity plans

Basic Project Details, Activities & GAM

- Activity Plan Code (autogenerated)
- Cluster *
- Partner name *
- Implementing partner(s)
- Start date AND End date *
- Plan or project name *
- Donor / Source of funding
- Project code [related to Donor]
- Project status * (planned, confirmed)
- Funding requirement (US\$) *[TBC]
- Amount of funding received (US\$) *[TBC]
- FTS Flow ID
- Plan Type *

* required

(continued)

- Activities [multi-select] *
- Total target caseload * [Optional by Population Group]
- Multi-cluster project? [multi-select] *
- Response "Theme" * [Default "No specific theme"]
- Gender & age inclusion *[TBC]
- Disability inclusion *[TBC]

[Optional] Activity, location & caseload (sub-form)

(multiple activities can be specified)

- Activity [one or more]
- Location [National > Oblast > Raion]
- Target Caseload [by Population Group]

3. SIDAR update

Iryna Drapp

- New registration link.

<https://forms.office.com/e/thBRGgR4cP>

The screenshot shows the 'SIDAR Registration Form 2024' interface. At the top, there is a language selector set to 'English (United States)'. Below the title, a red asterisk indicates a required field. The question is 'From whom do you receive your login password?'. A video player is embedded in the form, showing a 'SIDAR Log in' screen with a 'Sign in' section. The video player has a 'Watch on YouTube' button. Below the video, there are radio button options for user roles: 'Cluster IM team', 'Cluster coordinator', 'SIDAR technical support', and 'Hub coordinator'. The 'Cluster IM team' option is selected.

- Video materials were added to "User Guide" module
- Transitional shelter in SIDAR activities
- New data model were sanded to all partners

SIDAR Registration Form 2024

4. Sub-national level cluster coordination highlights:

Western region general update

Maksym Vakhovskyi

- Following the attack in Lviv on December 29 partners responded by providing ESKs and plastic film. More than 30 buildings damaged overall. 3 multistory buildings suffered the most. The common damages are broken windows and doors. The number of broken windows exceeds 2,000. The city announced compensation in the amount of UAH 12,000 for a window and UAH 8,000 for a door.
- Also, there are damages to 3 schools and a kindergarten.
- Most of the families who suffered the damages applied for compensation from the city.
- Cluster conducts working meetings with local authorities to discuss ongoing issues and plans for 2024.
- Cluster provides consultations to partners who tailor their response in line with Cluster priorities and following local authorities' advice.

4. Sub-national level cluster coordination highlights: Central region general update

Ihor Senkiv

1. General situation in the central and southern regions.
2. Humanitarian response. Emergency response to emergencies related to missile attacks.
3. SIDAR. Working with the platform. Updates from Cluster partners. The role and participation of local authorities in the work of SIDAR.
4. Information exchange and reporting.

4. Sub-national level cluster coordination highlights:

Eastern region general update
