

						Strategic Priorities								
Strategic Objectives	Cluster Objectives	PA code	Parent Activity	Sub-Code	Sub-Activities	SP 1	SP 2	SP 3	SP 4	Indicators	Unit of measure	Activity Description	Reference Cost	Unit
SO1	CO1	SN101	Emergency Shelter Support	A	Emergency Shelter Materials (ESM) for Households	In-Kind (IK)		In-Kind (IK)		# of households supported with emergency shelter materials # of people supported with emergency shelter materials # of residential units supported with emergency shelter materials	HHS/ people (SADDD)/Residential Unit	Provision of emergency shelter materials for war-damaged houses and apartments to rapidly seal the building envelope and reduce exposure to weather. This is an immediate, temporary measure to prevent further deterioration until repair is possible.	USD 120 per Household	Household
SO1	CO1	SN101	Emergency Shelter Support	B	Emergency Shelter Materials (ESM) for Social Facilities	In-Kind (IK)		In-Kind (IK)		# of people supported with emergency shelter materials (social facilities) # of institutions supported with emergency shelter materials (social facilities)	Institutions/ people (SADDD)	Provision of emergency shelter materials for war-damaged, government-led social facilities to temporarily seal the building envelope and help restore public services. Priority should be given to facilities that remain operational or can quickly resume operation after the intervention.	USD 59 per Individual	Individual
SO1	CO1	SN101	Emergency Shelter Support	C	Emergency Household Restoration Kit (EHRK)				Cash (C)	-	-	Provision of immediate, small-scale in-dwelling handyman support and limited consumables to reduce acute post-strike risks inside the home within the first 24 to 72 hours. This activity is part of UCT 3 and serves as a short bridge until shelter repair support is available.	USD 110 per Household	Household
SO1	CO1	SN101	Emergency Shelter Support	D	Emergency Repair Materials (ERM)	In-Kind (IK)		In-Kind (IK)		# of households supported with emergency repair materials # of people supported with emergency repair materials	HHS/ people (SADDD)	Provision and, where needed, installation of emergency repair materials to secure the building envelope of dwellings in the near-frontline areas, as an interim measure when humanitarian repairs are not feasible. The activity restores basic weather protection, but does not fully restore the thermal envelope.	USD 380 per household	Household
SO1	CO1	SN102	Emergency Non-Food Item (NFI) Support	A	Donation of NFIs for Shared Use	In-Kind (IK)		In-Kind (IK)		# of people reached through donation of NFIs (Collective Sites, Transit Centers, Invincibility Points, Bomb shelters) # of institutions reached through donation of NFIs (Collective Sites, Transit Centers, Invincibility Points, Bomb shelters)	Institutions/ people	Provision of shared-use NFIs to equip collective settings, including collective sites, transit centers, interim evacuation points, invincibility points, and similar temporary facilities, so they can provide safe, dignified, and functional accommodation or reception. Personal take-away items should be reported under SN102B.	USD 180 per Individual	Individual
SO1	CO1	SN102	Emergency Non-Food Item (NFI) support	B	NFIs for Households	In-kind (IK)	In-kind (IK)	In-kind (IK)	In-kind (IK)	# of households supported with household NFI # of people supported with household NFI	HHS/ people (SADDD)	Provision of household NFIs to displaced, non-displaced, and returnee households that have lost essential items due to war, displacement, or return. Assistance is intended to restore basic household functioning and dignified living conditions.	USD 315 per Household	Household
SO1	CO1	SN102 (Non-HNRP)	Emergency Non-Food Item (NFI) support	C	Provision of Appliances and Furniture	In-kind (IK)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	# of households supported with appliances and furniture # of people supported with appliances and furniture	HHS/ people (SADDD)	Provision of essential household appliances and furniture that enable households to cook, store food, sleep, and organize daily living in safe and dignified conditions.	Fridge - USD 240 Cooking stove - USD 240 Bed - USD 200 Table set - USD 220 Wardrobe - USD 240	Household
SO1	CO2	SN201	Winter Heating	A	Winter Cash for Utilities	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	# of households supported with cash for utilities # of people supported with cash for utilities	HHS/ people (SADDD)	Provision of cash or vouchers to help vulnerable households cover winter heating utility costs in dwellings heated through centralized heating, gas, or electricity. The activity addresses winter heating needs only and should not overlap with SN201B.	Unified cash for heating utilities transfer value is UAH 19,400* for the winter season	Household
SO1	CO2	SN201	Winter Heating	B	Winter Energy	Cash (C) Voucher (V)	Cash (C) Voucher (V)	Cash (C) Voucher (V)	Cash (C) Voucher (V)	# of households supported with winter energy # of people supported with winter energy # of collective sites supported with winter energy	HHS/ people (SADDD)/Collective sites	Provision of solid fuel or liquefied gas to households and, where relevant, collective sites that rely on these sources for winter heating. Assistance should cover the minimum seasonal heating needs and be based on the heating system and fuel type.	Average reference cost*: USD 660 per Household per season, depending on fuel type as per Winterization Recommendations. Unified cash for solid fuel transfer value is UAH 19,400 for the winter season	Household
SO1	CO2	SN201	Winter Heating	C	Winter Heating Appliances	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	# of households supported with winter heating appliances # of people supported with winter heating appliances	HHS/ people (SADDD)/Collective sites	Provision of winter heating appliances, including solid-fuel stoves and electric or liquefied-gas heaters, together with essential accessories for safe use. Assistance must be based on heating needs and include safe installation support where required.	Average reference cost: USD 580 per Household	Household
SO1	CO2	SN202	Personal Insulation	A	NFI for Winter	In-kind (IK)	In-kind (IK) Cash (C) Voucher (V)		In-kind (IK) Cash (C) Voucher (V)	# of households supported with NFI for winter # of people supported with NFIs for winter	HHS/ people (SADDD)	Provision of winter-specific NFIs to improve personal thermal comfort, sleeping conditions, and basic protection from cold exposure. Assistance should be adapted to assess seasonal needs and complement other winter support.	USD 156 per Individual	Individual
SO1	CO2	SN202	Personal Insulation	B	Winter Clothing	In-kind (IK) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	# of households supported with winter clothes # of people supported with winter clothes	HHS/ people (SADDD)	Provision of seasonally appropriate winter clothing to support personal thermal comfort and meaningful protection from cold conditions.	USD 170* per Individual	Individual

SO1	CO2	SN203	Shelter Insulation	A	Insulation of Substandard Houses	In-kind (IK) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	In-kind (IK) Cash (C) Voucher (V)	# of households supported through insulation of substandard houses # of people supported through insulation of substandard houses # of residential units upgraded	HHS/ people (SADDD)/ Residential Unit	Provision of thermal insulation works to improve the thermal envelope and winter habitability of structurally sound detached houses in substandard condition that were not damaged by war. Interventions may include attic or ceiling insulation, energy-efficient windows and doors, and limited related heating system improvements.	Average reference cost: USD 3,320* per Household	Household
SO2	CO3	SN301	Humanitarian Repair	A	Humanitarian Repairs of Common Spaces in Multi-Apartment Buildings	In-kind (IK) Cash (C) Voucher (V) Mixed (M)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)		In-kind (IK) Cash (C) Voucher (V) Mixed (M)	# of households supported through repairs of common spaces # of people supported through repairs of common spaces # of multi-apartment buildings repaired # of residential units repaired	Buildings/ HHS/ people (SADDD)/ Residential Unit	Repair of war-damaged common areas in multi-apartment buildings, including roofs, entrances, windows, corridors, and essential internal MEP elements, to restore safe access and basic building functionality. Structural repairs of common spaces are outside the humanitarian scope.	USD 3,465 / HH for 2-3 floor buildings. USD 1,000 / HH for 4-5 floor buildings. USD 620 / HH for buildings with 6 or more floors. Up to 16 floors (included). The weighted average: USD 1,540	Household
SO2	CO3	SN301	Humanitarian Repair	B	Category I Repairs	In-kind (IK) Cash (C) Voucher (V) Mixed (M)		In-kind (IK) Cash (C) Voucher (V) Mixed (M)		# of households supported with light repairs # of households supported with medium repairs # of people supported with light repairs # of people supported with medium repairs # of buildings repaired # of residential units repaired	Buildings/ HHS/ people (SADDD), Residential Unit	Provision of light and medium humanitarian repairs to war-damaged houses and apartments with no structural damage, focusing on the essential works needed to restore minimum habitability and close the thermal envelope. Assistance must be based on technical assessment and is intended to complement, not replace, state compensation programs.	Average reference cost (USD/HH)**: Detached houses: Light - 2,120; Medium - 4,925 Apartments: Light - 1,360; Medium - 2,325	Household
SO2	CO3	SN301	Humanitarian Repair	C	Category II (Heavy) Repairs	In-kind (IK) Cash (C) Voucher (V) Mixed (M)		In-kind (IK) Cash (C) Voucher (V) Mixed (M)		# of households supported with heavy repairs # of people supported with heavy repairs # of buildings repaired # of residential units repaired	Buildings/ HHS/ people (SADDD)/ Residential Unit	Provision of heavy repairs to war-damaged private houses with structural damage in order to restore safe and habitable living conditions. This activity addresses damage to core structural elements and is primarily intended for the most vulnerable households.	Average reference cost: USD 12,000 per HH	Household
SO2	CO3	SN301	Humanitarian Repair	D	IDP House Repairs	In-kind (IK) Cash (C) Voucher (V) Mixed (M)		In-kind (IK) Cash (C) Voucher (V) Mixed (M)		# of households supported with IDP house repairs # of people supported with IDP house repairs # of buildings repaired # of residential units repaired	Buildings/ HHS/ people (SADDD)/ Residential Unit	Provision of light repairs and limited rehabilitation to substandard, non-war-damaged houses or apartments occupied by IDPs, to restore safe, functional, and dignified living conditions.	Average reference cost: Detached houses: USD 4,925 per Household Apartments: USD 2,325 per Household	Household
SO2	CO3	SN301	Humanitarian Repair	E	Humanitarian Repairs of Social Facilities		In-kind (IK) Cash (C) Voucher (V) Mixed (M)		In-kind (IK) Cash (C) Voucher (V) Mixed (M)	# of social facilities supported through the repairs # of people supported through the repair of social facilities # of social facilities assisted with energy support # people benefited from the energy support of social facilities	Social facilities/ people (SADDD)	Provision of humanitarian repairs to war-affected, government-led social facilities to restore minimum safe and functional use in line with Shelter Cluster standards. Eligible works are limited to essential repairs, primarily closure of the thermal envelope and justified accessibility improvements; structural repairs are excluded.	USD 450 per Individual	Individual
SO2	CO3	SN302	Refurbishment of Collective Sites	A	Refurbishment of Collective Sites	In-kind (IK) Voucher (V)	In-kind (IK) Voucher (V)	In-kind (IK) Cash (C) Voucher (V) Mixed (M)		# of people supported through the refurbishment of Collective Sites # of Collective Sites supported through the refurbishment # of people supported through the refurbishment of Collective Sites (Care and Maintenance) # of Collective Sites supported through the refurbishment (Care and Maintenance) # of people supported through the repair of war-damaged Collective Sites # of war-damaged Collective Sites supported through the repair	people (SADDD)/ Collec tive sites	Refurbishment of Collective Sites supports care and maintenance, refurbishment, and non-structural repair of existing collective sites with CS-Pcode to improve safety, dignity, hygiene, accessibility, and basic functionality for IDP residents in line with Resolution No. 930.	USD 760 per Individual for Refurbishment USD 330 per Individual for Care and Maintenance	Individual
SO2	CO3	SN303	Rental Support	A	Rental Support	In-kind (IK)	In-kind (IK)	In-Kind (IK)	In-kind (IK)	# of households benefited from Rental Support # of people supported with Rental Support	HHS/ people (SADDD)	Provision of rental assistance to vulnerable war-affected households to help them access or retain adequate accommodation, including moving out of collective sites. The activity should be linked to case-based targeting and longer-term housing solutions, not treated as cash assistance alone.	Average reference cost: USD 2,300 per HH/6 months	Household

*Reference costs could be reviewed for 2026-2027 winter season

**Depending on the number of people living in the corresponding living space (see SOP Category I Repairs).
