Summary Notes of Damages Assessment TWiG Meeting – Wednesday, June 22, 2022, Time: 10:00 – 11:30 AM Venue: Online

AGENDA

1. REACH preliminary findings of damage assessments and plans
2. Updates from partners on RDA tool and their progress on damage assessments
3. AOB

1. REACH preliminary findings of damage assessments and plans

- IMPACT and REACH are planning research cycles on damage analysis focusing on North and East regions ([presentation cloud be found here](#)). The fourth round of the Humanitarian Situation Monitor will be conducted in the next two weeks while round five will start on 4th July.
- REACH shared the latest Humanitarian Situation Monitor factsheet. A list of settlements, in addition to the UNDP list, will be compiled for prioritization. The draft settlements list is [shared on the google drive for inputs till 27 of June, CoB](#).
- REACH was asked if there are plans to conduct assessments in the South as there is little data on severity of needs from there.

2. Updates from partners on RDA tool and their progress on assessments

- Skat is planning an assessment for July in Makieriv outside Kiev.
- SSC notified new colleagues about the damage assessment tool developed by the cluster and that they can provide feedback on the tool.

3. AOB

- There will be more updates by end of the week about Government assessment tools and app.
- All partners agreed to contribute to damage assessment settlement prioritization list
