GAPS / Constraints and Key Critical Issues

- Shelter Cluster has issued a Guidance for SNFI Partners on the priorities, targets and implementation direction of the HRP 2021.
- Shelter Cluster has conducted trainings on Activity Info and Socio-Economic Vulnerability Tool for assessment to international and national organisations in Feb and March 2021.
- Efforts to construct quarantine and isolation areas in IDP camps continue, with planned capacity of close to 200 shelters in 5 camps.
- Partners are facing access issues and impediments to implementing activities for vulnerable families with suspected affiliation from security actors. Coordination with OCHA in country is ongoing to resolve those.
