#### **As per Mr Radhubar.**

- The purpose of meeting was to share each other's plans and views.
- Kabhrepalanckok, however is in very active stage of response and distribution but somewhere lacking on the submission of reports to National SC which finally have affected the reports, so on coming days reporting the data should also be prioritized.
- For relocation of Baldefidiche VDC, Caritas and CDRA sent up the materials (CGI sheets/tents).
- Have decided to include DDRC in next meeting and plan for the winterization.
- Plan to search some experts for the preparation of preparedness plan.
- Will try to include as much as local agencies possible for next meeting.
- Next SC meeting in Kabhrepalanckok: After two weeks. 10 August, 2015 (Monday)
