1	Opening Remarks <ul style="list-style-type: none">- The Cluster Coordinator (CC) mentioned that the Cluster-led agency had several meetings with donors at the beginning of May to advocate for Shelter/NFI needs in the country. Some donors were interested in supporting Housing, land, and property (HLP).- The idea of the HLP working group was endorsed by the Humanitarian Country Team (HCT) to be lead by the Tri-Cluster of Shelter, Protection, and CCCM Clusters. An international expert will be recruited to lead the work of the technical working group and include other relevant sectors. He/She will begin with preparing the Terms of Reference for the TWiG.- The first meeting for the Strategic Advisory Group (SAG) was held last month and focused on priorities for advocating for the needs for Shelter, Housing, and Non-Food Items.

2	<p>Updates on the YHF 1st SA 2021</p> <p>The Cluster Coordinator explained that the national Cluster was contacted by the Yemen Humanitarian Fund (YHF) a month ago to discuss priorities for the 1st Standard Allocation 2021. The total funding available is approximately USD 40 million.</p> <p>The overall ask from Clusters exceeded USD 40 million, and there were several consultations to reduce the ask, and the first attempt was aimed to cut off budgets by 25%.</p> <p>At a later stage, each Cluster will defend its envelope with the YHF advisory board. The YHF team will consolidate inputs from Clusters and develop the allocation strategy highlighting four pillars to organize potential submissions under specific priorities.</p> <p>The Shelter Cluster is expecting about 10 projects to be submitted with a total ask of USD 11.3 million, but we were informed that the budget might reduce due to the limited funding. Further updates will be shared through email. More information about the four pillars is available in the presentation.</p>	<p>Shelter Cluster Team to share the locations prioritized for the YHF allocation with the eligible partners.</p>	SCT	After the meeting
