### Shelter/NFIs response between January and December 2021 in NWSW

To meet humanitarian needs of the vulnerable people in NWSW, from January to September, a summary total of 170,091 (34,018 HH) have been assisted, of which 109,744 (21,949 HH) individuals were assisted with Shelter kits, 59,967 (11,993 HH) individuals with Core Relief Items and 380 (76 HH) individual with Transitional shelter. These assistance was covered by 15 partners: Plan International, IRC, NRC, SHUMAS, COHESODEC, PVC, CRS, GPA, DRC, SIRDEP, AMEF, AJESH, CBC, WESAD International and FGI. These responses represent only 18% of the Population in need and 43% of the HRP's sectoral target for 2021
