John Segredo – **301 FAMILIES AWAITING CONFIRMATION ON LAND**

2

-120HH Have been resettled to Ndeja

(Follow up with Protection + Wash teams)

NHAMATANDA

MANICA	Sussundenga	Maquina	270
		EP1 Muawa	93
		04 Outubro (living construction company)	89
		Nhamississua (in the resettlement site)	51
Total Manica Province		503	

CCCM UPDATE:

- EPI Muawa- families will be integrated into the existing Muawa resettlement site, demarcation has been done for 95 plots, assigned to families but they are pending shelter support and some are trying to find materials locally.
- Maquina- the resettlement site has been established at this site, demarcation finalized, 270 plots allocated to families. Partly have shelters built with local materials and about 20 families are still in INGD tents.
- 4 Outubro - an area has been identified to resettle these families but not yet approved by the government.
- Nhamississua- these families will be integrated into the existing resettlement site of Nhamississua, demarcation already finalized but no shelters yet built.

ACTIVE PARTNERS RESPONDING TO ELOISE – OCHA UPDATES

https://docs.google.com/spreadsheets/d/1ppDKCpMj6FApCChj5u_jVM-reLfOhyReantyTrpG64g/edit#gid=523752598

Partner Updates/Minutes- 22.03.21

IOM Updates:

- Planned delivery of 1160 cut tarps to INGD in Buzi (Guara Guara) for 25.03.21 for MASSANE community (In coordination with Tzu Chi toolkits and INGD/CEDES kitchen sets)
- Assessments ongoing for the distribution of the 3000HH CGI kits in Buzi and Manica. See OCHA link on previous slide for plans.
- FCDO 12,000 Tarps- Confirmed 6000 will be given to INGD and other 6000 tarps **are available for implementation partners who present plans for distribution to IOM.**

FH Updates:

- Completed distributions of Shelter and kitchen sets in line with INGD deactivations in ES Guara Guara. See OCHA link on previous slide for plans.
- No further plans in response to Eloise for shelter.

CARE:

- Confirmed the only item missing from their Family kits are the blankets. Due to quality issues they had to reject some previous blankets. They are awaiting blanket delivery this week, with aim to distribute 1200 kits in Guara Guara, next week.
- See OCHA link on previous slide for plans.

Other new/ returning Shelter partners:

-UN-Habitat- New projects starting (Further details to be shared in future meeting)

-DORCAS- 46 Houses for Idai in Nhamisusua (Preparing next phase in response to Chalane/ Eloise)

-SOLIDAR SUISSE- Assessing possibility of working in shelter in Guara Guara in response to Eloise

-YOUNG AFRICA – Project in Mandruzi with UNDP for Idai Response; 40 Houses in Chivababa with UNDP (Further details to be shared in future meeting)
