

## Call for Expression of Interest (CEI) Shelter Cluster SAG Membership

---

The Shelter Cluster Coordination Team seeks to engage a number of cluster participants, representing various stakeholder groups, in decision-making through consensus management. The Strategic Advisory Group (SAG) will guide the Cluster, in a consultative and Collaborative manner, with policy decisions, strategic direction and coordination mechanisms.

The commitment to the SAG membership is an organizational commitment, rather than just an individual, ensuring the Cluster has the required profile for its SAG membership to meet commitments in-line with the terms of reference (ToR) attached. The SAG membership will be accountable to the Shelter Cluster Coordinator (who is accountable to the Cluster Lead Agency (CLA) and consequently the Humanitarian Coordinator), Shelter Cluster membership and the affected population.

**Selection:** After submission of expression of interest, all records will reviewed by the Cluster Coordination Team based on the following selection criteria:

1. Partners actively engaged in cluster activities, are well established in Yemen and who have significant thematic expertise or have significant operational Shelter experience in Yemen.
2. Participated actively in 80% of the Cluster meetings at the national level during the last 9 months.
3. Partners willing to champion specific activities due to their specific knowledge, experience and interest (Evaluation will consider the information provided in the submission)

If the number of qualified organizations exceed the slots indicated in the SAG TOR then the list of qualified organizations will be circulated to the wider Shelter Cluster membership for voting and who receives the highest voting will be selected.
