2016

HUMANITARIAN RESPONSE PLAN AT A GLANCE

In 2016, over 100 humanitarian partners working in Yemen are appealing for US\$1.8 billion to provide essential life-saving and protection assistance to 13.6 million people across the country. Most immediate assistance is needed in the food security, health and water, sanitation and hygiene (WASH) sectors.

4

STRATEGIC OBJECTIVES

SAVE LIVES, PRIORITIZING MOST VULNERABLE

PROTECT CIVILIANS ACROSS ALL SECTORS

PROMOTE EQUITABLE ACCESS FOR WOMEN, GIRLS, BOYS AND MEN
