

# PRS Finale Norway

23-24.sept 2023

## Safety and Rules:

Safety is paramount and everyone's responsibility. Anyone who observes an unsafe act or event, must/can call a "cease fire" (avbryt/stans skyting) at any time during the course of a match.

1. Treat all guns as if they are loaded
2. Muzzle awareness is crucial. Keep the muzzle pointed in a safe direction at all time, either up, towards the firing line or in the safezone on each station
3. All movement with the rifle must be done with the bolt open
4. Don't close the bolt until you're in position and the have the rifle pointed towards the target
5. If you are running a semi-auto, place the weapon on SAFE during transitions and say out loud "SAFE" before moving
6. Keep your finger off the trigger and outside the trigger guard until you are ready to shoot
7. The chamber flag is mandatory and must be in the camber until the RO tells you to remove it

8. Cheating equals match DQ
9. Unsportsmanlike conduct may result in a warning, a stage DQ or match DQ. The assessment is up to the RO and/or the MD and not up for discussion

## Equipment/behavior:

Binoculars, spotting scopes and range finders can be used at all times.

It's allowed to start the stage with tripods deployed.

For match flow: Be ready with the rifle and equipment on the starting line as soon as the shooter before you is finished shooting. Please help out picking brass unless the RO tells you otherwise on stage.

All targets beyond 600m will be equipped with T1000 hit indicators.

"Hit to move" means = You must hit the first target before you move on to the next target. If you miss the first shot on the first target, you shall fire the second shot at same target until you hit.

If you have concerns regarding other shooters behavior, bring this up with the RO/MD as soon as possible. Not after the price ceremony..

All RO's will be equipped with a shot timer from Shooters Global sponsored by Brownells.

There will be food available at the clubhouse for purchase. Toilets can also be found here. Price ceremony and match brief is at the clubhouse.

There will be a zero range open from 1800-2000 on friday and on request. If you need to zero during the day, ask your RO.

**Hope you enjoy the match!**

**MD's:** Eivind Sæther (+4793836656) & Bjørn Sørland (+4799123574)
