Malmö Handgun Championship 2021

Welcome!

Greetings fellow shooters and welcome to the 2021 IPSC Malmö Handgun Championships. We are here at the home of the largest IPSC club in Sweden, MSG (Malmö Skyttegille). The range is only 7km from central Malmö giving all visitors easy access to accommodation, food, and other attractions.

This match would not have been possible without the help of countless volunteers and range staff, who has transformed this range into to a collection of stages, that will challenge shooters of all skill levels. Please take the time to thank them for their hard work, making it possible for you to enjoy two days of shooting fun. The match will end with the award ceremony and there will be lots of great prizes from our sponsors. There will also be a raffle and all competitors have equal chance to win some fine products! Please note all prizes must be picked up at the ceremony in person.

I wish you all the best of luck.

Shoot Straight!
