

BLACKSMITH SRA 2026

S:t Eskils Skyttar

Match description

Introduction

Blacksmith SRA 2026 is the second open invitation SRA-match in Sweden. The first match was held last year in September at a range outside Skinnskatteberg.

As this is our first larger SRA competition, we will gladly get some feedback of improvements. Feedback can be sent to styrelsen@steskills.se and will be reviewed during the match organizations after action review.

We hope that this match will be a catalyst in the evolution of SRA shooting in Sweden.

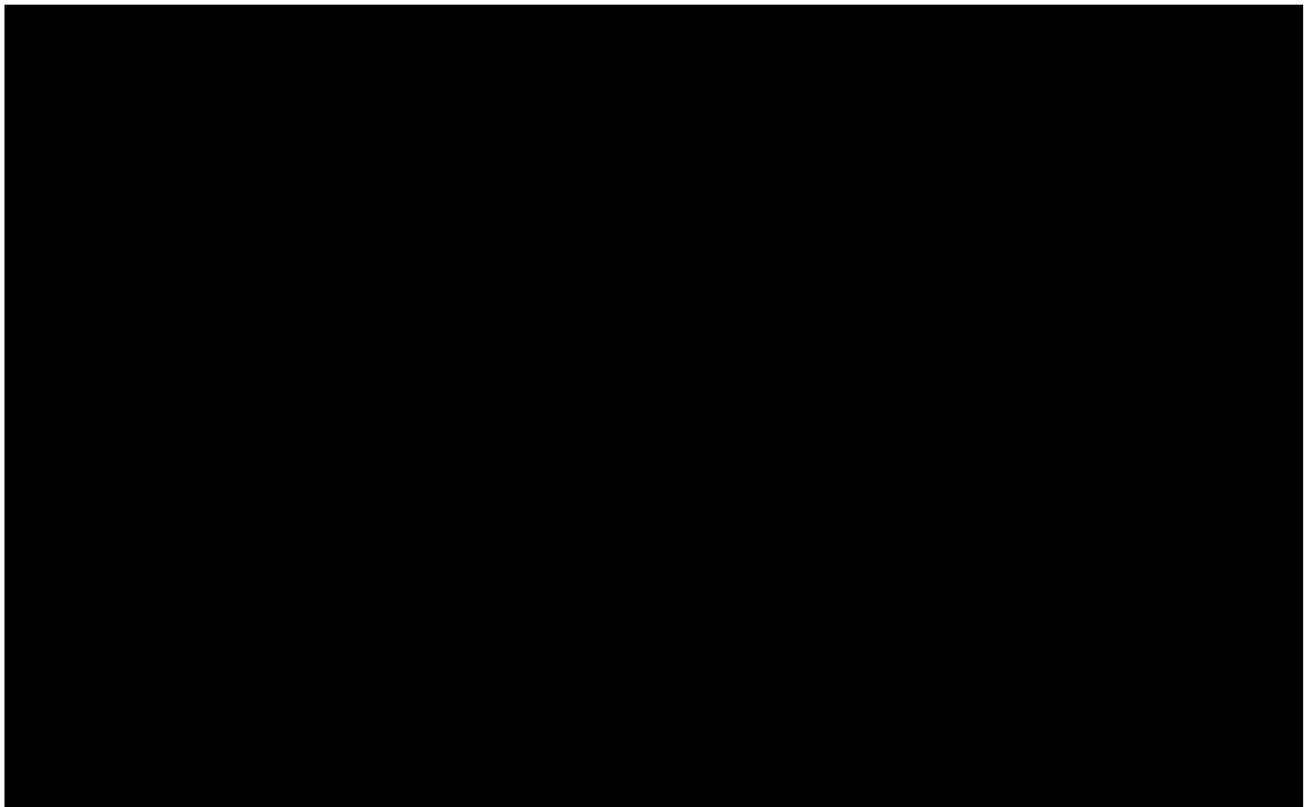

Our sponsors

We wish to thank the sponsors for this match. They make it possible to host the match and have fantastic prizes for the top shooters. We are very grateful! All of the sponsors are companies that we buy stuff from and use for both competition and duty use. It can't get any better than that!

Tactical situation

The match is based on a scenario in which the enemy has crossed into NATO territory in northern Europe and the Baltic states.

You are serving as a light infantryman in the platoon AQ. Your platoon is tasked with patrolling the outskirts of “Airbase Kjula” defending key terrain and harassing the enemy with ambushes and raids. The terrain is mainly forest, dense with pine and spruce trees, forcing the light mechanized enemy to use roads for fast maneuvering. The enemy is heavily reliant on the use of drones. With short shooting distances and some built up village areas you are well off with your carbine and pistol for self-defense. A shotgun for drones might come in handy...

Stages

Stage descriptions will be provided 1-2 weeks before the match. Notice of this will be provided through SSI. Preliminary stage descriptions are available in SSI; however these may be subject to change.

Stage weapon

At stage 7 we will provide the competitor with a stage gun (Shotgun) and ammunition. You are not allowed to use your own shotgun or ammunition.

Targets

Targets used in the match

Scoring method

The match will be scored online via SSI. The shooter will provide a signature on the scorekeeper's phone or tablet after the scoring is completed on each stage.

Arbitration

An arbitration committee will be assembled should it be necessary. It will consist of the match director as chairman without the right to vote and three qualified SRA ROs not belonging to the match organization.

The arbitration fee is 500 SEK to be paid before the committee provides its ruling.

Verifications

When all squads have finished all stages the verification time will be announced at the stats office. The verification time will be 10 minutes.

Payment of match fee

Match fee is to be paid before end of March 30. After April 30, the match fee is non-refundable. However, participants may transfer their entry to anyone on waiting list. Payment is made through SSI (Worldline; Swish, Vipps, Mobile Pay, Credit Card). In case of technical issues regarding payment please contact the match organization through SSI.

Check-in

Check-in opens at 0800 on match day at the competition central.

Match briefing

The match briefing and safety briefing is held at the competition central at 0830.

Logistics

Restrooms and showers

At the shooting range there are toilets centrally located in the main building. Tap water is drinkable.
