General Information

The match location is in Stamnesdalen. The main location will be [Stamnesdalen Motorsportsenter](#).

NB! Safety angles for this match will be less than 90 degrees due to shooting in the terrain and non-shooting range areas missing side wall berms.

All stages within 800m from Stamnesdalen motorsportsenter. Maximum 300m walk from each of the three car parking areas to most remote stage. See overview map

Competitor parking will be at the two parking lots at [Stamnesdalen Motorsportsenter](#) and the one at [Vårtun](#)

Due to practical reasons, competitors will not be given the opportunity to verify their own hits/misses, on targets more than 30 meters away (except electronic targets that a delegate can verify at the monitors during shooting and scoring)

However, we have a scoring crew that puts their honor into giving a fair score, according to the rule book, for all the shooters

Lunch will be served at Vårtun (next to parking for Stage 6, 7, 8, 9, 10, 11 and 12)

This will also be the place for award ceremony with a competitor number lottery, with nice prizes. You need to be there to win the lottery. A Sons Of Liberty Gunworks, AR 15 rifle is the main lottery prize. Donated by SOLGW and GLW.no
