Ibiza Blue Challenge is opening a new
summer school at Club Hípico Es Puig

FROM 1ST JULY TO 23RD AUGUST

A new experience for summertime

IT'S TIME TO OFFER HEALTHY ACTIVITIES FOR CHILDREN AND YOUNGSTERS.

About us

Ibiza Blue Challenge presents a new summer school for boys and girls both from Ibiza and all over the world, located in the heart of the island.

The school will have its headquarters at Club Hípico Es Puig in Santa Gertrudis.

Every activity is based on sports, the environment, and the horse-riding world.

Our team is made up of horse loving leisure instructors and the Physical Education graduates management of Ibiza Blue Challenge, with the support of the equestrian club.

What we offer

We are going to ride horses and move throughout the Island of Ibiza with activities such as snorkeling, kayaking, paddle surfing, trail hiking and bicycle riding. We will have informative talks about sports and the environment, we'll go on boat trips and outings to different parts of the island.

The school will promote values such as looking after nature and our island through sports.

We will set up workshops of varied themes to appeal to the attending boys and girls.

A full-page photograph of a young boy with blonde hair, wearing blue swim trunks and purple sandals, jumping from a rocky cliff into the ocean. The water is a deep blue, and the sky is clear. In the background, a large offshore oil rig is visible on the horizon. Below the boy, another person is seen swimming in the water, creating a splash.

"Friendship will overshadow technology"
