2022 FIA WTCC – RACE OF GERMANY

From The Stewards
To All Competitors

Decision N° 2
Date: 28 May 2022
Time: 10:24

Since the beginning of Round #2 in Nürburgring, several problems happened with the tyres on different cars during Free Practice and Qualifying sessions.

After a meeting held on Saturday 28 May 2022 at 8:00 with Goodyear Management, FIA Officials and Discovery Representatives, it has been stated by Goodyear that the safety of the tyres cannot be guaranteed and confirmed by a Goodyear official statement received on 28 May 2022 at 9:45

Therefore the Stewards have decided to stop the Competition due to serious safety reason. This decision has been taken in accordance with art. 2.1.6 a) and art. 11.9.3 n) of the FIA International Sporting Code.
