

GPSR Safety Information – Watch Strap

General Product Safety Regulation (GPSR) – Safety Information

This document provides general safety information in compliance with the UK and EU General Product Safety Regulation (GPSR) for an aftermarket watch strap intended for consumer use. Please read carefully before use.

Product Description

Aftermarket canvas/leather watch strap compatible with TAG Heuer Monaco, Carrera, and Formula 1 watches.

Material: Canvas (top), leather (bottom), 316L stainless steel clasp and components.

Intended Use

This product is designed exclusively as a replacement watch strap for compatible wristwatches. It must be installed and used according to standard watch strap fitting procedures.

Safety Precautions

- Ensure the strap is securely attached before wearing.
- Check spring bars are correctly installed.
- Do not overtighten the strap.
- Discontinue use if damaged.
- Remove if skin irritation occurs.
- Keep small parts away from children.
- Do not modify the strap.
- Avoid heat and chemicals.

Material & Allergy Information

Contains leather and stainless steel (316L). Sensitive individuals may experience reactions.

Installation Warning

Improper installation may result in damage. Seek professional help if unsure.

Maintenance & Care

Clean with damp cloth. Avoid water exposure. Do not use chemicals. Inspect regularly.

Environmental & Disposal

Dispose according to local regulations. Recycle where possible.
