

General Product Safety Regulation (GPSR) - Safety Information

Product: Leather Case

General Safety Information:

- This product is designed as a protective leather case for electronic devices, accessories, or personal items.
- Made from natural leather and non-toxic finishing materials.
- Ensure the case fits the intended device or accessory securely to prevent accidental drops or damage.
- Keep away from excessive heat sources and open flames to avoid material damage.
- Do not expose to water or high humidity for prolonged periods to maintain durability and function.
- Small parts such as clasps, zippers, or magnetic closures should be kept away from children under 3 years of age to prevent choking hazards.
- Leather is a natural material and may show variations in color and texture—this does not affect product safety.
- Avoid prolonged direct skin contact if you have known leather or dye allergies.
- Clean using a soft dry or slightly damp cloth. Do not use harsh chemicals or solvents.

Compliance Statement:

This leather case complies with the General Product Safety Regulation (GPSR) requirements, ensuring it is safe under normal and reasonably foreseeable conditions of use.
