

Fireco

Compliance Made Easy

Dorgard SmartSound

A smarter way to keep your
fire doors open

Dorgard SmartSound is a wireless solution for legally holding open fire doors, closing them when a fire alarm sounds

Benefits

New SmartSound technology —
not triggered by vacuum cleaners

Three-year battery life and
three-year warranty

Carpet friendly — leaves
no marks

Can be fitted to
any door

No programming required,
just fit and forget

Installed easily in under
five minutes
