OPERATIONS

FILMING AND PHOTOGRAPHY CHAPERONE

All filming and photography will include one steward. At the discretion of the Royal Opera House additional stewards may be required and operational costs will be charged on. This is a chargeable fee.

Minimum of 3 hours: £150
For every hour thereafter: £35

OPERATIONAL RUNNING COSTS

These are in addition to the location fee and quoted on a bespoke basis, dependent on the specific requirements of the shoot. To offer an overview of operational running costs, these include - but are not limited to technical support, security, front of house staff, cleaning, electrician and portering.

Green rooms are available at an additional cost and are subject to availability and requirements.

Prices may vary depending on the nature and size of the shoot. If you are hiring multiple spaces, we will always initially quote for each space individually. Once we have a better idea of your full schedule and requirements for the shoot at ROH, we can then discuss the overall fee associated with your shoot.

APPROVAL

If Royal Opera House is to be recognisable in the shoot, the enquiry must be taken to our Senior Management Team and internal PR Team for approval.
