Digital Cast Sheets

We are working hard on our commitment towards becoming more sustainable and are striving for our net zero goal of 2035. By using digital cast sheets and e-tickets, we have reduced our paper consumption by over five tonnes per year. You can view our digital cast sheets on a computer, tablet or smartphone by scanning the QR codes displayed around the building using your smartphone's camera app. They are also displayed on screens outside the auditoria. Cast sheets are generously supported by the Royal Opera House Endowment Fund.

Guidelines

Photography and filming are prohibited during performances in any of our auditoriums. You are welcome to take pictures throughout the rest of the building and before performances and share them with us through social media. Commercial photography and filming must be agreed in advance with our press team.

Larger bags and backpacks need to be checked into our complimentary cloakrooms. Unattended bags may be removed.

Please do not place any personal belongings on the ledges in front of you.

Only bottled water and ice cream purchased from the premises can be taken into the auditorium.

If you arrive late to the auditorium or leave during a performance, you will not be allowed back to your seat until the interval or a suitable break.

Smoking and vaping are not permitted anywhere on the premises.

The safety of our visitors, staff and artists is our priority. To help us provide a comfortable experience for everyone, please be mindful of others and their personal space.

Our staff are committed to treating everyone with dignity and respect and we ask that you show them and your fellow audience members respect too. We adopt a zero-tolerance approach in response to anyone who interacts with our staff or with fellow audience members in an intimidating, aggressive or threatening manner.

Support Us

We rely on your support to make world-class ballet and opera for everyone. With your donations we can ensure a bright future for the Royal Ballet and Opera, bringing communities together and inspiring future generations up and down the country.
