Digital Cast Sheets

We are working hard on our commitment towards becoming
more sustainable and are striving for our net zero goal of 2035.
By using digital cast sheets and e-tickets, we have reduced our
paper consumption by over five tonnes per year. You can view
our digital cast sheets on a computer, tablet or smartphone
by scanning the QR codes displayed around the building
using your smartphone's camera app. They are also displayed
on screens outside the auditoria. Cast sheets are generously
supported by the Royal Opera House Endowment Fund.

Support Us

We rely on your support to make world-class ballet and opera
for everyone. With your donations we can ensure a bright future
for the Royal Ballet and Opera, bringing communities together
and inspiring future generations up and down the country.

For people, not profit.
