We may upload Personal Data, such as your email address or phone number, in encrypted (hashed) form to these advertising platforms to create audiences or generate similar audiences ("lookalike audiences"). We only do this:

- insofar as this is permitted under the GDPR, and
- to approach existing customers or interested parties who have previously used our services or made a request via our Website.

The platforms we work with process the data exclusively on behalf of Trustoo and follow their own privacy policy. Where legally required, we conclude a processing agreement or standard contractual clauses with these parties.

Our Website and/or service does not intend to collect data about Visitors who are younger than 18 years, unless they have permission from parents or guardians. However, we cannot verify whether a Visitor is older than 18. We therefore advise parents to be involved in their children's online activities to prevent data about children being collected without parental consent.
