Our mission as AllGround® is to turn your coffee time into an intimate ritual of pure pleasure: to combine high-precision technology and Made in Italy design with over 80 years of expertise in the professional industry.

THE PURSUIT OF FRESHNESS

Unleash all the **aroma and taste of your favourite coffee** with AllGround grinders. The **high precision grinding** enhances the essence of the bean releasing its purest scent.

BY YOUR SIDE. FOR LONGER.

Cutting-edge technology **meets peak functionality in our burrs**, designed and manufactured in food-grade primary steel to achieve professional performances for each grind size.

THIS IS A PERFECT MATCH

Turn the ring nut, choose your granulometry. Your beans are **freshly ground** for your espresso, moka or filter. Let's bring to life **the coffee you desire.**

AllGround

Great coffee. Made simple.
