

FROM THE FOUNDER OF THE #VIKISEWS BRAND

Back in 2016, when I was working on my first set of sewing instructions, I was trying to write them in such a way that even a complete beginner could easily understand and use them to create their very first garment. These instructions laid the foundation for the Vikisews brand, its vision and its mission. I wanted to create modern patterns with the utmost detailed and clear instructions.

Now, with each new collection we are constantly improving our instructions, amending them and adding more relevant details. By the time the final product reaches you, our drafters, correctors, and editors would have spent weeks perfecting every word and every photograph. If you compile a few of our instructions together, you will get a sewing manual that will assist you in sewing all kinds of garments at any difficulty level.

And I would be very happy if these instructions helped you to turn your hobby into a lifelong passion... Enjoy the process! Create your ultimate dream wardrobe! Wear your garments proudly for years to come!

If you have any questions, please contact us at info@vikisews.com — we are always there to help.
