CYCLE 2 AWARDS CEREMONY

The Cycle 2 Awards Ceremony celebrated students' dedication, progress, and achievements, recognizing excellence, effort, and positive growth across all grade levels.

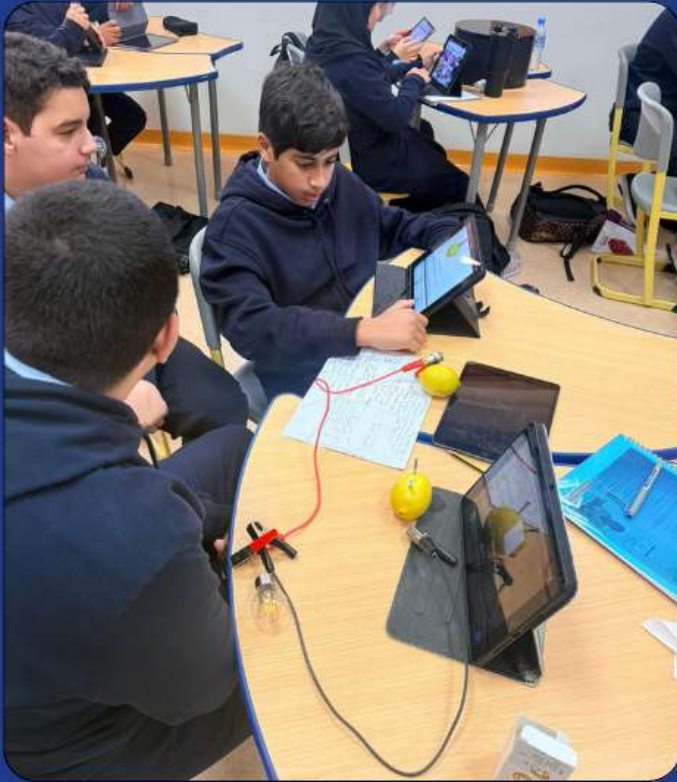

STUDENTS' PARTICIPATION IN THE SCHOOLS OLYMPIC PROGRAM

Our students proudly represented ISME in the Schools Olympic Program. The high school basketball team advanced to the quarterfinals after a thrilling 11–10 victory over Middle East International School, while the middle school padel team secured two impressive wins to qualify for the Under-14 Padel Tournament final, earning a place among the top two schools in the State of Qatar.

LOWERSCHOOL SCIENCE FAIR PREPARATION

Lower School students are actively preparing for their Science Fair, engaging in hands-on experiments, research, and creative planning as they develop scientific thinking and inquiry skills.

GRADE 6 STUDENT PRESENTATION

Grade 6 students delivered an inspiring presentation to the Lower School on what it means to be a good human, emphasizing values such as kindness, respect, empathy, and positive behavior.
