## GOLD MEDAL ACHIEVEMENT IN UNDER-14 TENNIS TOURNAMENT

ISME student Abdulla Saoud Al-Thani achieved an outstanding result by being awarded the gold medal in the Under-14 Tennis Tournament, marking a proud moment for our school community.

## GIRLS' PARTICIPATION IN THE 2ND QSDL

Our high school girls proudly participated in the 2nd Qatar Schools Debate League, demonstrating confidence, teamwork, and strong debating skills while representing ISME with excellence.

## HEALTH SCIENCE I – MUSCULAR SYSTEM IN ACTION

Health Science I students explored the muscular system using a wearable anatomy model, demonstrating how the biceps and triceps contract and relax during arm flexion and extension. Hands-on learning made the concept clear and engaging.

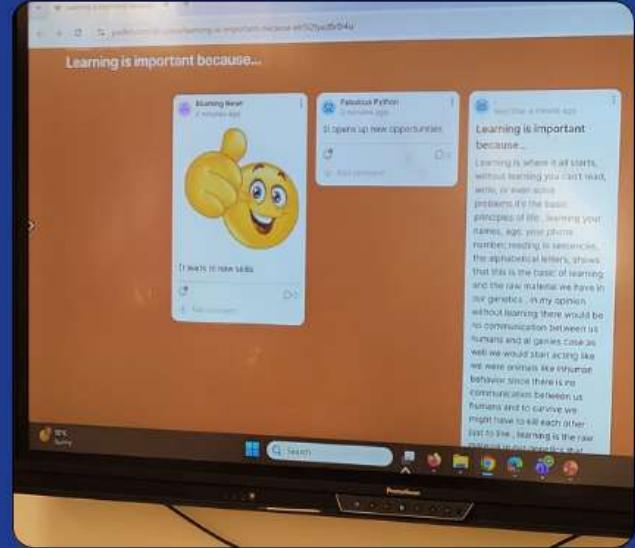

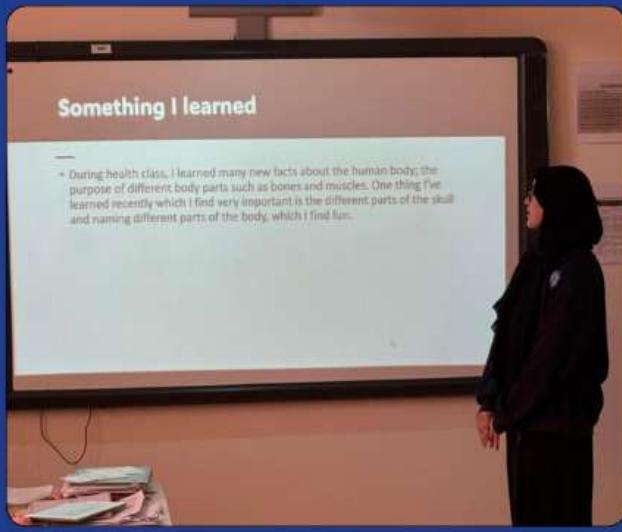

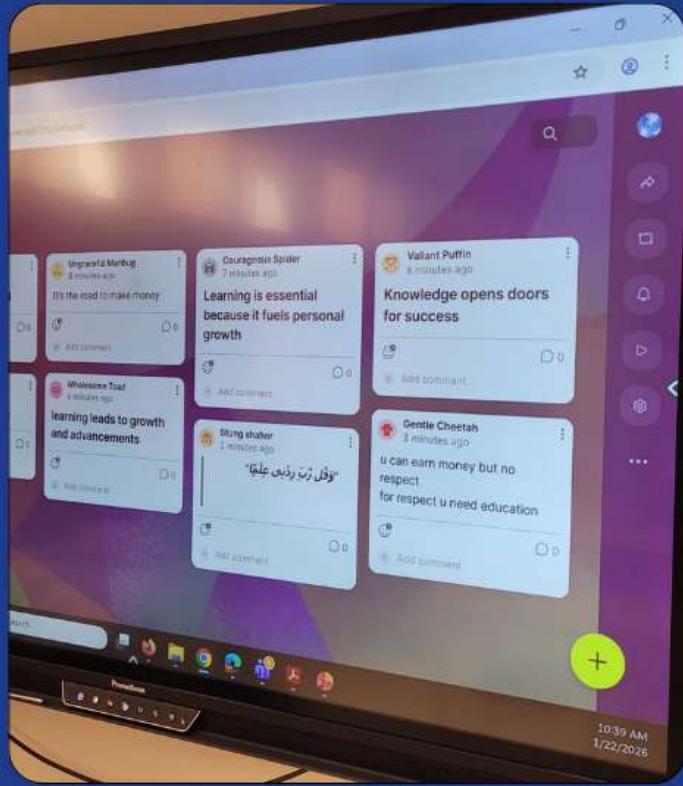

## TEACHERS' PROFESSIONAL DEVELOPMENT (PD)

Teachers participated in a focused professional development session aimed at enhancing instructional practices, collaboration, and continuous growth to better support student learning.

## CONTINUED CELEBRATION OF WORLD EDUCATION DAY

The celebration of World Education Day continued with engaging activities and reflections that highlighted the value of learning, growth, and the power of education to inspire and empower students.

## HEARTFELT CONGRATULATIONS TO ABDULLA AL-THANI

We proudly congratulate Abdulla Al-Thani on his outstanding achievement of winning the first gold medal for ISME this season. The crowning ceremony will be held on Thursday, 29 January.
